I'll be your dream, I'll be your wish, I'll be your fantasy.
I'll be your hope, I'll be your

love, Be every thing that you need. I'll love you more with every breath, Truly, madly, deeply do.
I will be strong, I will be faithful 'cause I'm counting on a new beginning.

A reason for living, A deeper meaning, yeah. I want to stand with you on a mountain, I want to bathe you in the sea.

I want to lay like this forever, Until the
sky falls down on me

And when the stars are shining

brightly in the velvet sky,
I'll make a wish send it to heaven, Then make you want to cry

The tears of joy for all the pleasure in the certainty,
That we're surrounded by the comfort and protection of the highest powers, In lonely hours, The
