tape I made you

Hope you think of me

when it plays through

Feel kind of

15

sad now that it's

done

You think my

time's for free

In all the ways

you say to me

Sweet versions of

lets wait and see But you're 1. always a golden boy and
2. Time is always passing by and

28

I'm the girl that still I have to you enjoy wonder why My parents say "Isn't
You can't come and tell me he a gifted I'm the

son?" one Summer goes and we have grown

37

We have our friends, live on our own, still I'm not the girl you want me to be

43

See gravity can bend the time Funny I always liked your mind

47

But this whole thing is crushing me Well you're 1. always a 2. Time is always
