TRULY MADLY DEEPLY

I'll be your dream
I'll be your wish, I'll be your fantasy
I'll be your hope, I'll be your love
Be everything that you need
I'll love you more with every breath
Truly, madly, deeply do
I will be strong, I will be faithful 'cause I'm counting on

A new beginning
A reason for living
A deeper meaning

I want to stand with you on a mountain
I want to bathe with you in the sea
I want to lay like this forever
Until the sky falls down on me

And when the stars are shining brightly in the velvet sky
I'll make a wish, send it to heaven
Then make you want to cry
The tears of joy for all the pleasure in the certainty
That we're surrounded by the comfort and protection of
The highest powers
In lonely hours
The tears devour you

I want to stand with you on a mountain
I want to bathe with you in the sea
I want to lay like this forever
Until the sky falls down on me
Oh can you see it baby?
You don't have to close your eyes
'Cause it's standing right here before you
All that you need will surely come
I'll be your dream I'll be your wish
I'll be your fantasy
I'll be your hope, I'll be your love
Be everything that you need
I'll love you more with every breath
Truly, madly, deeply do

I want to stand with you on a mountain
I want to bathe with you in the sea
I want to lay like this forever
Until the sky falls down on me
